## Who are we?

Lambeth Save Our Services is an open and democratic umbrella group of local trade unionists, community organisations and students formed in 2010 to oppose cuts in jobs and services. Lambeth's Labour council is now set to make cuts of £40 million, one-sixth of its 2011-12 budget. We will resist every cut to services, jobs, benefits and pensions, every single rise in rents, and taxes for working class people and all tuition fees. SOS opposes the privatisation of any public service, and aims to build grassroots campaigns based on workers and service users.

## Get involved

We hold open organising meetings on the 1st and 3rd Thursday of each month, 6.30PM at the Vida Walsh Centre, 2b Saltoun Road, Brixton SW2 1EP.
